CHERRY PECTORAL
For the Cure of
COUGHS, COLDS, HOARSENESS,
BRONCHITIS, WHOOPING-COUGH,
CROUP, ASTHMA, AND
CONSUMPTION.
Of all the numerous medicines extant, (and
some of them valuable) for the cure of pulmo-
nary complaints, nothing has ever been found
which could compare in its effects with this
Preparation. Others cure sometimes, but at all
times and in all cases of the lungs and throat
where medicine can give relief, this will do it.
It is pleasant to take, and perfectly safe in ac-
cordance with the directions. We do not ad-
vertise for the information of those who have
tried it, but those who have not. Families that
have known its value will not be without it,
and by its timely use, they are secure from the
dangerous consequence of Coughs and Colds
which neglected, ripen into fatal consumption.
The Diploma of the Massachusetts Institute
was awarded to this preparation by the Board of
Judges in September 1847; also, the Medal of
the three great Institutes of Art, in this country;
also the Diploma of the Ohio Institute at
Cincinnati, has been given to the Cherry Pec-
toral, by their Government in consideration of
its extraordinary excellence and usefulness in
curing affections of the Lungs and Throat.
Read the following opinion founded on the
long experience of the eminent Physician of the
Port and city of
ST. JOHN, May 8, 1851.
Dr. J. A. Ayrer, in your Cherry Pectoral, in
my practice, has proven what I foresaw from its
composition, must be true, that it eradicates and
cures the colds and coughs to which we in this
section are peculiarly liable.
I think the equal has not yet been discovered
nor do I know how a better remedy can be made
for the distempers of the Throat and Lungs.
J. J. BURTON, M. D., F. R. S.
A cough and whooping cough, and a thousand
more.
Dr. Ayrer, in the month of July last I was
attacked by a violent diarrhoea in the mites of
California. I returned to San Francisco in
order of receiving benefit from a change of cli-
mate. My diarrhoea ceased, but I was al-
lowed by a severe cough—and much worse.
I finally started for home, but received no re-
lief from the voyage. My cough continued to
grow worse, and when I arrived in New York,
I was at once taken by my acquaintance as a
victim of consumption. I must confess that I
saw no sufficient reason to doubt what my
friends all believed. At this time I commenced
taking your truly invaluable medicine with lit-
tle expectation of deriving any benefit from its
use. I would not receive these lines did I
not regard it my duty to state to the afflicted,
through you, that my health, in the space of
eight months, is fully restored. I attribute it
to the use of your CHERRY PECTORAL.
Yours truly, WILLIAM W. SMITH.
Washington, Pa., April 12, 1848.
Dear Sir: Feeling that I have been spared
from a premature grave, through your instu-
mentality by the providence of God, I will take
the liberty to express to you my gratitude.
